Affiliated Instructors: FAQ

What is the Affiliated Instructor Program?

The program provides for remote access to electronic resources for authorized affiliated instructors of SJSU. This may include agencies where SJSU students are placed for field experience or supervised research projects.

Practicum and research experiences are an essential part of SJSU's academic programs, and access to library research materials for instructors facilitating this activity enhances their ability to incorporate scholarly and professional information in their work with SJSU students.

What is available to these affiliates?

- Remote access to SJSU Library electronic resources
- Electronic resource assistance via reference chat
- Reference research assistance by SJSU Librarians

What is not available to these affiliates:

- Borrowing of physical items in the library collection
- The following electronic resources are not available due to licensing agreements:
    - CompuStat
    - EBook Central
    - Inter-University Consortium for Political and Social Research (ICPSR)
    - Kanopy
    - New York Times
    - OReilly ebooks (Safari ebooks)
    - Paperpile (citation manager tool)

- Pivot
- Scifinder N

Access Requirements

Affiliated instructors must have their SJSU provided login credentials available in order to access electronic resources remotely. These credentials are entered into the "Other Affiliate Login" area of the electronic resource login screen.

Access to SJSU Resources

All off-campus access to SJSU electronic resources and on-campus access to demand-driven ebook titles is limited to currently enrolled SJSU Students, Faculty and Staff.

Use of this system indicates your acceptance of vendor restriction educational purposes by our students, staff and faculty. Further distribution of these works in paper or digital format is subject to copyright law.
(U.S. Copyright Act, Pub. L. Section 108).
