Embark on your Spartan journey by learning about the historical and cultural significance of key landmarks on and off campus. Actively engage in this anti-racist work by learning about the voices, histories, and actions of underrepresented groups and how they have shaped our campus, community, and world.

Celebrate Black History Month with the AAACNA Studies Center with a month-long **film and dialogue series** and other exciting events.

Student2Student is a program led by students for students. This semester will focus on Python and Edge Programming. This event series is open to everyone.
